

UNDERAGE PARTICIPATION

Application form

To participate in our events, all underage participants must first receive approval from both us and their legal guardians. It is important that this application is approved by us before the race. We recommend that the application process is handled BEFORE signing up for the race to prevent any unnecessary costs in case of an eventual denial of participation.

How to submit:

A scanned/photographed copy should be sent by e-mail to info@toughest.se for faster processing. You can also send it via "snail-mail" to Toughest, Vattenverksvägen 44, 212 21 Malmö, SWEDEN.
